THE PROPERTY

Upon entering the property, you are welcomed by a bright entrance hallway, finished with neutral décor. This space offers a warm first impression and space for greeting guests and storing coats.

Leading from the hallway is a cosy and third bedroom but alternatively could be used as an additional reception room. Wide patio doors provide natural light and direct access to the rear garden, helping to bring the outdoors in. This adaptable space could be used as a reading nook, playroom, home office, or gym.

The hallway also provides access to the integral garage, ideal for secure parking or extra storage. The garage leads to a practical utility room with a wash basin and storage cabinets, making laundry easy to manage. Completing the ground floor is a convenient downstairs WC.

On the first floor, there is a spacious living room, easily accommodating a large sofa and furnishings. Two large front-facing windows fill the space with natural light and offer pleasant views over the green space.

To the rear is a modern kitchen/diner with plenty of wall and base units for storage, sleek worktops, and integrated appliances. There is ample space for a family dining table—ideal for everyday meals and entertaining. A large window provides views of the rear garden.

On the third floor are two well-proportioned bedrooms. The main bedroom offers space for a king-size bed and features two built-in storage cupboards. It also benefits from a modern ensuite with a wash basin, shower, and WC.

The second bedroom can accommodate a double bed and wardrobe, making it ideal as a guest room, children's room, or home office. Both bedrooms are filled with natural light and offer comfort and privacy.

At the front of the property, a private driveway offers convenient off-street parking. To the rear, there is a well-kept garden with a lawn for children or pets and a patio for outdoor dining or relaxing. Established borders add privacy and visual interest.

An added benefit for this property is the newly installed Worcester Bosch boiler with 9 years warranty still remaining.
