Presented in immaculate condition throughout, it will particularly appeal to families and first-time buyers seeking a move-in ready home in a convenient, well-served location.

A welcoming, light hall gives access to the ground floor accommodation and features stairs to the first floor. Under the stairs is a useful cloakroom with WC and sink, ideal for guests and day-to-day family use.

There are two reception rooms. The main lounge is stylishly presented and includes a media wall with electric fire, and space for a TV, creating an attractive focal point and a comfortable living area. The separate dining room enjoys double doors opening directly onto the rear garden, providing a pleasant setting for family meals and entertaining, as well as a good connection between indoor and outdoor space.

The kitchen is a particular highlight, with a modern "wow factor" design. It offers contemporary units and worktops, an oven with hob and extractor hood, integrated fridge and freezer, and sink. The layout is designed for both everyday practicality and enjoyable cooking.

Upstairs, the property provides three bedrooms. Two are doubles, with the second bedroom benefiting from built-in wardrobes that maximise storage. The third bedroom is a single, suitable as a child's room, guest room or home office. The bathroom is stylishly tiled around the bath which boasts an Aqualisa shower over, along with a sink with vanity units and WC. The property benefits from uPVC double glazing, gas central heating and CCTV.

Externally, the house features a driveway and garage, offering off-street parking and additional storage. The landscaped rear garden includes artificial grass for easy maintenance, decking and a sheltered entertaining area suitable for a hot tub, creating a usable outdoor space in various weather conditions. The overall feel is of a light house that is effectively "turn key" and ready to move into.

Waltham Village offers a range of local amenities including independent shops, cafes, pubs and essential services, all within easy reach. Nearby schools serve different age groups, making the location practical for families. There are local walking routes around the village and surrounding countryside, providing opportunities for leisure and exercise.

Public transport links connect Waltham with Grimsby and the wider area. Grimsby town centre and Grimsby Town railway station can be reached by local bus services or a short drive, with onward rail connections towards cities such as Lincoln and Manchester. This combination of village setting and access to larger centres underpins the appeal of this well-presented semi-detached home.
