For Sale Freehold Offers Over £150,000

Situated just outside Castleford town centre is this deceptively spacious two bedroom mid terrace property, offering well proportioned accommodation throughout. With two good sized bedrooms, generous reception space, and potential off road parking to the rear, this property is certainly not one to be missed.

The accommodation briefly comprises an entrance porch leading into an inner hallway, providing access to the staircase and doors into the living room and separate dining room. The dining room benefits from useful under-stairs storage and leads through to the kitchen, which in turn provides access to the utility room and downstairs w.c., with an external door opening to the rear. To the first floor, the landing gives access to two bedrooms and the house bathroom. Bedroom one further benefits from an overstairs storage cupboard with loft access. Externally, the property features a low-maintenance front buffer garden, mainly paved and enclosed by walls and fencing, with gated access and established shrubbery. To the rear is a low maintenance garden, incorporating a planted border and a concrete patio/driveway area, offering potential for off road parking. The rear garden is enclosed by walls and timber fencing.

Castleford is an excellent location for a range of buyers, including first time buyers, small families, and professional couples, with a wide selection of shops, schools, and amenities within walking distance of the town centre. The area also benefits from leisure attractions such as Xscape Entertainment Centre, Junction 32 Outlet Village, and Pontefract Racecourse nearby. For commuters, Castleford offers two train stations [Castleford and Glasshoughton] providing local and regional links including Leeds and Sheffield, along with a bus station and convenient access to the M62 motorway.

An early internal viewing is highly recommended to fully appreciate the space and potential on offer.
