remaining bedrooms are served by a contemporary family bathroom finished to a high specification. The fifth bedroom also offers flexibility as a dressing room, nursery or additional study if required.

Externally, the property enjoys an attractive and low-maintenance landscaped rear garden with extensive paved entertaining areas, gated side access, outside sockets and a tap. To the front, a generous block-paved driveway providing ample off-street parking, an EV charging point, and access to the integral garage.

Another notable mention, this home has an 'A' rated energy performance. There are 18 solar panels 5.5KWP with Tesla Power Wall Battery and domestic electricity storage battery which, over the course of the last year, produced 50% of the household electricity, integrated to assist with the hot water heating and car charging port. Furthermore, it also exports to the grid to reduce overall energy bills. Full fibre is available with the property and several rooms have light tunnels fitted to provide additional natural lighting.

Wilberfoss is one of the area's most desirable commuter villages, offering an excellent balance between countryside surroundings and convenient access to York, Pocklington and the wider regional road network via the A1079. This is a rare opportunity to acquire a substantial detached residence in a sought-after village setting, combining space, quality and modern family living in a particularly private and desirable position.
