It is intended to be indicative rather than definitive, without a guarantee of accuracy. Before you act upon any information provided, we request that you satisfy yourself about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Confirmation of the title, boundary plan, sellers situation must be confirmed with you before any expense is incurred.

If there are any changes to the fixtures, fittings and relevant aspects of the property since the commencement of marketing, we have asked the vendor to notify us immediately. Please also confirm to your satisfaction the services connected to the property and any planning consents. These details do not constitute any part of any Offer, Contract or Tenancy Agreement.

Photographs used for advertising purposes may not necessarily be the most recent photographs. Any reliance you place on such information is therefore strictly at your own risk. All photographic images are under the ownership of Dean Estate Agents Ltd and therefore Dean Estate Agents Ltd retain the copyright. You must obtain permission from the owner of the images to reproduce them.

Tenanted Property – we are not always able to show the most recent condition of a property due to tenants' privacy and we may choose to show the photographs of the property when it was last vacant to at least allow clients some idea of the internal condition. Therefore, we would of course, urge you to view the property before making any decisions to purchase or rent the property and before committing to any costs. An offer to purchase any property will be considered after a physical viewing has taken place.

Energy Performance Certificates are supplied to us via a third party and we do not accept responsibility for the content within such reports.

PRC Certificates – Some ex-local authority properties have been repaired in recent years using the PRC Scheme wherein a certificate has been produced by a qualified property engineer. This
