Whilst we as Estate Agents on behalf of the vendors endeavour to ensure the accuracy of property details produced and displayed, we have not tested any apparatus, equipment, fixtures and fittings or services and we cannot verify that they are connected, to working order or fit for the purpose. Neither have we had sight of the legal documents to verify the Freehold or Leasehold status of any property. A Buyer is advised to obtain verification from their Solicitor and/or Surveyor. A Buyer must check the availability of any property and make an appointment to view before embarking on any journey to see a property. The vendors have checked and approved these particulars. These particulars are intended to give a fair description, but their accuracy cannot be guaranteed, and are not to be taken as forming any part of a resulting contract. They are issued on the basis the property is still available and on the understanding that all negotiations are conducted through the agents.
