LOUNGE 13′3″ x 12′11″ max
You enter the property through a grey part-glazed composite door into the well-presented lounge. Wood effect laminate spans the floor and there are chrome spotlights overhead. A beautiful, exposed brick chimney breast houses a log burning fireplace, which adds great character to the neutrally decorated room. A front facing window allows natural light into the room. A doorway leads through to the kitchen.

KITCHEN 10′11″ x 9′7″ (excl. alcove)
At the rear of the property, you find the modern kitchen which has white tiled flooring, chrome spotlights and is decorated with white partially tiled walls. The kitchen is fitted with gloss grey wall and base units, white granite effect roll top worksurfaces and a black composite one and a half bowl sink and drainer with stainless steel mixer tap. There is an integrated single oven with additional grill, four ring electric hob and grey mosaic tile splashback. A spacious alcove provides space for an American style fridge freezer and there is plumbing for a washing machine or dish washer. Under the stairs, there is a handy storage cupboard which is perfect for household items. A white uPVC window looks out into the garden area and, along with double patio doors, they allow natural light to flood the kitchen. A doorway leads to the lounge and a further door leads to the stairway.

STAIRS & FIRST FLOOR LANDING
Stairs ascend from a part-glazed timber door in the kitchen, up to the landing. Dark grey carpet lines the stairs and landing, and a pendant light fixture is fitted above. Doors lead to two bedrooms and a shower room.

BEDROOM ONE 11'1" x 9'8"
Situated at the rear of the property is an ample sized double bedroom with light grey carpet, pendant and wall lighting. There is plenty of space for free standing furniture and a built-in cupboard houses the boiler, as well as providing space for household items. A window faces out onto the garden and a door leads back to the landing.

BEDROOM TWO 13'2" x 8'3" max
The second double bedroom sits at the front of the property and has pendant lighting and grey carpet. The bright room offers space for freestanding furniture and has multiple wall shelves fitted, perfect for additional storage and space for personal items. A large uPVC window brightens the room, and a door leads back to the landing.

SHOWER ROOM 8'10" x 4'3"
The house shower room is fitted with a white three-piece suite including a low-level W.C., pedestal handwash basin and double shower cubicle. The walls are fully tiled white with a black tile decorative border and vinyl flooring is underfoot. A chrome heated towel rail is fitted, and an obscure glazed window faces to the front of the property. A door leads to the landing.

EXTERNAL REAR

At the front of the property, stone flags lead from a gate to the part glazed grey composite front door. There is a pebbled area to the side of the walkway, which offers space for a small outside table and chair set or could be decorated with potted plants and flowers. At the rear, from the white uPVC double patio doors in the kitchen, you step out into the spacious garden area. Wooden decking meets the property and provides plenty of space for outside furniture. Brick and concrete paving lead up to two garages, each of which have up and over doors, and there is space for parking in front of these. Around the corner from the garages, is a fantastic, enclosed lawn with pebbled seating area.
