The Property

A well presented four bedroom semi-detached home on the High Street in Finstock, offering balanced living space, good natural light and a beautifully designed landscaped garden.

Steps lead up to a welcoming and spacious entrance hall with access to a downstairs WC. To the left is the kitchen, fitted with an induction hob, double oven, integrated dishwasher, and an integrated washing machine, with space for a fridge freezer. From here, a step leads up to the dining area, which comfortably accommodates a large table and chairs, with double doors opening out to the patio and drawing in plenty of natural light.

The layout flows through to the sitting room, a comfortable space with a large window and further door out to the patio. A log burning stove sits neatly in the corner, adding a focal point to the room. A connecting door leads back through to the entrance hall, where stairs rise to the first floor.

Upstairs, the landing is bright and spacious, giving access to four bedrooms, all of which benefit from built-in wardrobes providing useful storage. There is also a newly fitted shower room with a walk-in shower. A fully boarded loft provides useful storage space, with scope to create additional accommodation, subject to planning.

Outside, the rear garden is a particular feature. Immediately off the house is a generous south-facing patio with space for outdoor dining and entertaining, enjoying a sunny aspect well into the afternoon. Beyond, the garden has been landscaped across tiers, with planted borders and a meandering path leading up through two areas of lawn. Established trees include a Blackthorn and a Norwegian Maple. At the top of the garden is a shed with power and views out over open fields.

There is side access from the patio, leading to the front, where a pretty lawned garden sits alongside off-street parking for at least two cars and access to a single garage.
