THE PROPERTY

Approached along a sought-after tree-lined setting, this exceptional home reveals itself with electronically operated security gates opening onto the driveway offering a true sense of arrival. Extending to approximately 3,111 sq ft, the accommodation has been thoughtfully arranged across beautifully proportioned rooms, with a grand reception hallway setting an immediate tone of quality and scale. The current owners' meticulous and comprehensive redesign has been executed with a discerning eye, marrying period character with contemporary, effortless living. The result is a home that flexes seamlessly between quiet, restorative relaxation and vibrant family entertaining, a rare balance that makes it as suited to everyday life as it is to host in style.

GROUND FLOOR

Step inside to discover the traditional features and exquisite Karndean flooring which flows throughout, setting an elegant tone from the outset. Two formal reception rooms await: the first a showstopper, with striking panelling, a log-burning stove framed by a marble surround and hearth, and a graceful bay window. The second offers a more intimate, snug-style retreat, again enhanced by its own bay window.

Spanning the full rear of the property is a truly stunning open-plan kitchen, living and dining space, the heart of the home. A central island in contrasting colours anchors the sleek cabinetry, complemented by granite worksurfaces throughout, while bi-fold doors open seamlessly onto the rear gardens, blurring the line between indoor and outdoor living.

Completing the ground floor is a generously sized utility room, together with a private gymnasium. The perfect finishing touch for a lifestyle of comfort and wellbeing.

FIRST FLOOR

Rise via the staircase, where traditional panelling accompanies you up to a light, welcoming landing. Five generously proportioned double bedrooms unfold across this floor, three enjoying the added charm of bay windows.

The Master Suite is a true retreat, flowing effortlessly into a private dressing area before stepping down into a beautifully appointed en-suite bathroom, complete with a freestanding bath and separate shower enclosure.

The family bathroom has been equally thoughtfully designed, offering a freestanding bath, twin sinks and a step-in shower enclosure, combining everyday practicality with a distinctly luxurious finish.

Together, this floor delivers the space, privacy and comfort expected of a home of this calibre.

OUTDOOR FRONT

With a mature hedge, brick and wrought iron fencing, and electric CCTV-monitored gates. A generous driveway offers parking for up to five vehicles, with two EV chargers and garage-style doors for additional storage. Double side gates lead to the rear garden, completing a front elevation that balances security with an impressive first impression.

OUTDOOR REAR

Step onto the Indian stone patio spanning the width of the home and into a private, South East facing garden built for effortless outdoor living. The patio offers ample space for entertaining, with a Pergola fitted with electrics and an external speaker system linked to the internal audio setup. Beyond, the garden rises to a manicured lawn bordered by log-edged beds of mature trees and shrubs, with garden lighting for the evenings. Enclosed by a tall hedge, it's a rare and tranquil private sanctuary.

ABOUT THE AREA

This stretch of Queens Drive is one of Liverpool's most established addresses for substantial detached family homes. Tree-lined and dignified, it offers easy access to Sefton Park, Calderstones Park and the boutique shops and dining of Lark Lane and Allerton Road, with excellent private and grammar schools close by. Commuters benefit from swift links into the city centre, the motorway network and Liverpool John Lennon Airport. An area that speaks to discerning buyers seeking space, privacy and pedigree, without losing its sense of genuine community.

TRANSPORT

Queens Drive offers exceptional connectivity. Wavertree Technology Park and Mossley Hill railway stations are both close by, with direct services into Liverpool Lime Street in under ten minutes and onward connections to Manchester, London and beyond. By road, swift access onto the A5058 ring road links effortlessly to the M62, M57 and M58, opening up routes to Manchester, Leeds, Southport, Preston and the Lancashire coast. Liverpool John Lennon Airport is a straightforward twenty-minute drive, while the city's cruise terminal and ferry links add further international reach, village-like tranquillity paired with exceptional accessibility.

SCHOOLS

Families are exceptionally well served here. Mossfits Lane Primary School offers a warm start for younger children, while Christ The King Catholic Primary and Our Lady's Bishop Eton Primary School provide similarly nurturing options nearby. Carleton House Preparatory School is also close at hand for families considering private education. For secondary education, King David High School and the prestigious Liverpool Blue Coat School, consistently ranked among the top state schools in the country are both within easy reach, with Liverpool Hope University adding a distinguished higher education presence. A location built for families seeking excellence at every stage.
