ROBERT ELLIS ARE PLEASED TO BRING TO THE MARKET THIS LARGER THAN EXPECTED EXTENDED THREE BEDROOM SEMI DETACHED HOUSE SITUATED IN THIS POPULAR AND ESTABLISHED RESIDENTIAL LOCATION.

With accommodation over two floors, the ground floor comprises side entrance hall with useful understairs storage closet, ground floor bathroom, living room, kitchen, dining/garden room and utility room. The first floor landing then provides access to three bedrooms, the principal bedroom has an en-suite shower room, and bedrooms two and three are currently separated by folding glass doors. Bedroom three is currently being used as a sitting room off the rear bedroom but could easily be converted back into bedroom accommodation (if required).

The property also benefits from gas central heating from a combination boiler, double glazing, off-street parking and a generous enclosed rear garden, including lawn, patio and rear detached workshop with the provision to have power.

The property is situated within close proximity of nearby town centre amenities, good transport links (including the A52 for Nottingham and Derby, Junction 25 of the M1 motorway and the Nottingham tram terminus situated at Bardills roundabout), as well as a vast array of schooling for all ages. The property sits on the edge of open countryside and nearby walking routes.

We believe the property will make an ideal first time buy or young family home and we highly recommend an internal viewings.
