As you walk through the hallway, there are stairs down to the lower ground floor and up to the first floor with a cloakroom offering a useful WC. A door leads into the dual aspect sitting room which has a bay window at the rear providing a pleasant outlook and sliding patio doors at the side leading into the garden.

The lower ground floor features a hallway, leading into a useful internal room (formally a utility room). There is an understairs storage cupboard and a door into the integral garage which is a good size. On the first floor there are 2 double bedrooms with the back bedroom enjoying a pleasant outlook and the front bedroom offering a useful storage cupboard. There is a well appointed bathroom which has a storage cupboard.

Parking can be found at the rear in front of the garage. The South facing garden is found at the side and laid to patio and artificial grass with a fenced border enclosing the garden and making it child and pet friendly. There is a gate providing access at the front pathway.
