Description

Stevens are pleased to offer for sale this extended family home with no onward chain, located on the popular Parsonage Road, close to both the school and the high street. This deceptively spacious accommodation is arranged over two generous floors and is further enhanced by a full-width conservatory at the rear, as well as a large garden featuring a timber summer house.

Upon entering, you are greeted by a generous hallway that offers integral access to the garage and a downstairs W/C. The property flows in two directions: to the left is a large lounge with a feature wood-burning stove at its centre, and to the right is the luxury kitchen, with underfloor heating & fitted with sleek high-gloss units and brushed chrome handles, concealing essential white goods beneath a marble countertop. Both the lounge and kitchen lead to the dining area, which currently accommodates an 8-seater dining table but has the capacity for more if needed. This space overlooks the full-width conservatory at the rear, which serves as an additional handy reception room.

Stairs lead to the first floor, where all four bedrooms are conveniently located. Each bedroom features built-in storage and is considered a double. A bathroom is situated at the end of the landing, which could be adapted to include a toilet, as many others on the street have done, while a separate cloakroom is found nearby.

The rear garden is surrounded by mature trees, providing additional privacy. It consists of three distinct areas: a patio off the conservatory, a lawned section, and a decked terrace that leads to the large summer house, which can function as a studio or office and features bi-folding doors. At the front, a private block-paved drive leads to the garage.

Internal viewing is highly recommended to appreciate all the features and space this family home has to offer!
