FOR SALE FREEHOLD

DESCRIPTION

The land extends to approx. 85 acres of level pasture and sits north east of the Main Street through Grendon Underwood spreading towards the neighbouring village of Edgcott.

SERVICES

Mains water is currently supplied to the fields which would need to be sub metered from the existing farm connection. The owner would be amenable to granting a right for purchasers to connect to the nearest electricity pole which would be at the purchasers own expense.

The land is part of a stewardship scheme with 3 years remaining, the restrictions include limited use of farmyard manure and no artificial fertiliser. There is also a one acre area that cannot be grazed.

The owner is willing to provide an access adjacent to the farm however the likely entrance onto the land is off of Main Street down a bridle path. The farm and ergo land have enjoyed uninterrupted access for agricultural purposes for over 50 years and the neighbouring farmland sharing this lane had these access rights written into their deeds during the sale of the land in recent years. At the end of the initial lane is a track owned by another neighbour and said neighbour have granted permission for the track to be upgraded to a stone surface. The track benefits from the same access rights as the lane.

There are no public footpaths crossing the land.

The bridleway that crosses the land heads to Grendon Woods. Another bridleway in Grendon Underwood is at the southern end of the village and heads to Doddershall Wood.

For further information please contact the office and viewing is strictly via W Humphries Ltd. This is private land so please refrain from trespassing.
