Taunton offers excellent shopping, schooling and leisure facilities, together with mainline rail services to London Paddington.

## DESCRIPTION

This detached former police house occupies a prominent position within the village of Stoke St Mary and is now in need of comprehensive modernisation throughout. The property offers a generous and adaptable layout with three reception rooms and three double bedrooms, together with a large, level rear garden. The plot and existing accommodation provide clear potential for reconfiguration and possible extension, subject to planning permission, making this an excellent opportunity for purchasers seeking a renovation project in a popular location.

## ACCOMMODATION

The accommodation is arranged over two floors and, while now dated, offers well-proportioned and flexible living space. The ground floor provides three reception rooms alongside a kitchen with adjoining utility/rear porch, while to the first floor are three double bedrooms and a family bathroom.

## OUTSIDE

There is a generous and level rear garden, predominantly laid to lawn and enclosed by a combination of mature hedging and timber fencing, affording a good degree of privacy and seclusion. The garden offers a pleasant and practical outdoor space, well suited to both relaxation and everyday use, with ample room for seating, planting, or potential further landscaping, subject to any necessary consents. In addition, there are a number of useful outbuildings and features, including a timber shed, greenhouse, and coal store, together with a gardener's WC and oil tank.
