## DESCRIPTION

The property opens into a welcoming reception hallway, setting the tone for the accommodation throughout. From here, there is access to a downstairs WC, a well-proportioned home office, and a spacious living room featuring a log burner set within an inglenook fireplace. This room flows seamlessly into a garden room, which enjoys direct access out to the rear garden, creating a wonderful space for both relaxing and entertaining. There is also a large open-plan kitchen dining room, complemented by a generous utility room that provides internal access to the double garage.

To the first floor, the principal bedroom is a particularly generous double room and benefits from its own dressing room, which could alternatively serve as a fourth bedroom if required. There are two further well-sized double bedrooms. The principal bedroom also enjoys access to a Jack and Jill ensuite, fitted with a freestanding contemporary bath and a full walk-in shower. In addition, there is a large family bathroom, again featuring both a panelled bath and separate walk-in shower.

Externally, the property is equally impressive. To the front, a large sweeping driveway provides an abundance of off-street parking and is complemented by mature, established planting, which creates a striking approach, particularly during the summer months. To the rear, the gardens are generous in size and offer a private and attractive outdoor space.

This is a beautifully presented home in a sought-after location, offering both space and versatility, and is well suited to modern family living
