Bertram Road, EN1 1LP

Set along a highly sought-after residential road in Bush Hill Park, this charming Victorian terrace is a home that immediately stands out for its combination of period character, contemporary style & generous proportions.

The reception room is a particularly impressive space, offering ample proportions for both living & dining. High ceilings enhance the sense of volume, whilst windows to the front & rear draw an abundance of natural light into the room. The combination of period architecture & modern finishes gives the space a warm yet contemporary feel. At the rear of the ground floor is a modern fitted kitchen, providing a well-designed space for everyday cooking. Generous worktop space & an excellent range of cupboard units ensure the kitchen is as practical as it is stylish.

The first floor provides two generous double bedrooms, both offering excellent proportions, alongside a larger than average four piece bathroom suite. There is also considerable scope to further enhance the property, with potential for a rear extension & loft conversion(STPP).

Outside, the rear garden provides a private & well-maintained setting, with defined patio & lawn areas offering plenty of space for outdoor dining, entertaining or simply relaxing.

The location further adds to the appeal. Bush Hill Park Station is approximately 0.5 miles away, providing convenient rail connections into London Liverpool Street in around 30 minutes. Southbury Station & Enfield Town Station are also within easy reach, whilst local bus routes & excellent road connections via the A10 provide straightforward access to the M25 & A406.
