Great Missenden, Great Missenden

A stunning, light bright and airy, four bedroom, four bathroom, eco house set in a semi-rural location on the edges of the village. No Onward Chain

The property sits in an elevated position and is approached via a modern cobbled driveway. The front door, located at the side, opens into an impressive hallway with a vaulted ceiling and contemporary staircase. Designed for efficiency, the home features renewable heating, low-maintenance ground floor flooring, and underfloor heating throughout.

To the right are the cloakroom and spacious kitchen-dining room. The monochrome kitchen includes integrated Neff appliances, a large central island, generous dining space, bifold doors to the garden, and an adjacent utility room.

Steps from the hall lead down to a triple-aspect living room with doors opening onto a terrace overlooking the valley.

Upstairs, an atrium window fills the landing with light. There are four ensuite bedrooms: two at the front with balcony access and countryside views, and two at the rear overlooking the garden. A large airing cupboard provides additional storage.

Outside, the south-facing rear garden slopes gently and offers a private, blank canvas enclosed by fencing. The front includes parking, a terrace, and side access.
