[Foster Drive](#)

Forms part of the highly successful development, originally constructed circa 2021 by well known local builders Messrs AC Lloyd, on the periphery of Radford Semele. The village contains a good range of local facilities including local shops, schools and a variety of recreational facilities, and is conveniently sited

approximately a mile from the town centre. Since its original construction this particular development has consistently proved to be very popular.

ehB Residential are pleased to offer 1 Foster Drive, which is an opportunity to acquire an attractively styled, detached residence originally constructed to The attractive Sandom design. Providing exceptionally well appointed three bedroomed and two bathroomed accommodation with a number of notable features, the comprehensively fitted open plan living kitchen, with separate utility room being particularly noteworthy.

The property occupies a particularly pleasant position within the development on a generous corner plot, with pleasant walled rear garden and includes a detached garage and ample additional car parking. The property has been owned and maintained from new by the present owners to an exceptional standard throughout and only internal inspection can truly justify our very highest recommendation.
