You enter the property into an open and welcoming hallway, with the staircase directly ahead. To the left is the kitchen dining room, with grey flooring running throughout the ground floor, creating a clean and contemporary feel. The kitchen is fitted with grey wall and base units, complemented by grey laminate worktops, an induction hob, integrated fridge freezer, oven and half oven, and a stainless-steel sink with additional half sink. The dining area sits alongside the kitchen and enjoys attractive views over nearby woodland and open fields, making it a pleasant space for both everyday meals and entertaining. Useful under-stairs storage is conveniently located within the kitchen.

Leading through from the kitchen is the utility room, where the grey wall and base units continue, along with an additional stainless-steel sink. There is space here for both a washing machine and tumble dryer. To the right of the utility room is a downstairs WC, fitted with a white toilet and basin, and continuing the same grey flooring. At the far end of the utility room is a door providing internal access to the garage, which benefits from light and power and offers excellent additional storage space.

To the first floor, the stairs and hallway are finished with cream carpeting, which continues throughout the upper levels. Directly ahead at the top of the stairs is the panelled living room, a well-proportioned and comfortable space featuring cream carpet, shutters, and double doors opening directly onto the rear garden, allowing plenty of natural light.

The first room on the left is the family bathroom, fitted with grey flooring and a white suite with chrome fittings. This includes a bath with a shower over and glass screen, a chrome towel rail, built-in storage cupboard, and partly tiled walls finished in grey stone-effect tiles. Next along the hallway is a single bedroom overlooking the front of the property, finished with cream carpet. This is followed by a good-sized double bedroom, also overlooking the front, with cream carpet and its own en-suite shower room. The en-suite features a walk-in shower, partly tiled stone-effect walls, chrome fittings, WC, basin, chrome towel rail, spotlights, and shower controls positioned conveniently as you enter.

A further staircase leads to the top floor. On the right is the principal bedroom, a spacious and light room finished with cream carpet and benefiting from large fitted mirrored wardrobes. This room also enjoys a generous en-suite shower room with grey flooring, stone-effect tiling, spotlighting, a walk-in shower with rainfall and detachable shower head, chrome controls positioned as you enter, a white basin and WC, chrome towel rail, and a large built-in storage cupboard housing the boiler. Centrally on this floor is a further good-sized cupboard housing the water tank.

To the left at the front of the property is the final bedroom, enjoying good views and finished with cream carpet, making it an ideal guest room, home office, or additional bedroom.

Outside, the rear garden is accessed via the living room and opens onto a sandstone patio area, ideal for outdoor seating and entertaining.
