Situated in the village of George Green, B Simmons are delighted to present to the market this extended, semi-detached family home boasting a south facing rear garden. An internal viewing is highly recommended to fully appreciate just how much this home has to offer.

As you enter through the front door you walk into an entrance hallway with stairs leading to the first floor, and an understairs storage cupboard currently housing a 'Vaillant' combination boiler. There is a bay fronted living room with a fireplace and built in storage cupboards either side, a modern fitted kitchen which is open plan to a dining/family room, with a central island feature and French doors leading out to the rear garden. The downstairs bathroom has been updated by the current owners and has a four piece suite including a bath with ornamental feet and a separate shower cubicle. On the first floor there are three well proportion bedrooms, the master having an en-suite W.C with wash hand basin, and bedroom two has a pull down ladder providing access to a loft room. Outside there is a south facing private garden, predominantly laid to lawn with a raised decking and patio area, workshop and summerhouse. To the front the garden has been laid to block paving creating ample driveway parking.

George Green is known as a relatively quiet area and is an attractive place for families and individuals seeking a semi rural setting. The area is well-connected to the amenities and services available in Slough town centre, which is approximately a mile and a half away with a range of shopping facilities, schooling and transport links. Additionally, George Green is in close proximity to Langley Country Park providing residents easy access to green spaces and recreational opportunities.
