About the property

This wonderful one bedroom apartment is located on the top floor of a well presented building close to Hove Station. Having just been fully refurbished, this is an opportunity not to miss.

As you enter from the communal areas, the hallway allows access to the majority of the rooms. Within the hallway are some cupboards, one of which has plumbing for a washing machine. The reception is bright and west facing, with space for dining table too. Off the reception is the separate kitchen with space for dishwasher, fridge freezer, and integrated oven and cooker.

The bathroom is stunning with it's inset mirror, shower above bath and incredibly stylish tiles. To the rear of the building is the bedroom, which is of a good size.
