An immaculately presented family home pleasantly nestled within this most sought after turning on the ever popular Queens Park development close to local shops, schools and Stock Brook Manor, Golf and Country Club.

Constructed in the 1990's by Messrs Bovis Homes Ltd, this fabulous property features an entrance hallway with ground floor cloakroom, return staircase to the first floor and understairs storage cupboard. The generous size living room connects nicely with a separate dining room (currently used as a study) and impressive 18' kitchen/breakfast extending across the rear of the property with dining area and door to garden, open to a delightful hardwood Victorian style conservatory with pleasant views over the rear garden. The modern fitted kitchen area incorporates a number of cabinets, drawers and some integrated appliances.

From the first floor landing there is access to the comfortable principle bedroom at the rear of the house with fitted wardrobes to one side and an en-suite shower room. There are three further good proportioned bedrooms off the landing plus a family bathroom.

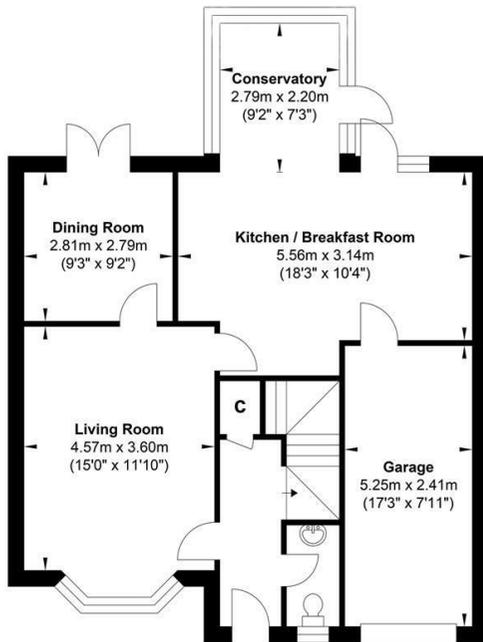

Outside, the property is approached over a block paved driveway capable of parking 2-3 cars. Integral garage with up and over door, light and power, integral door to kitchen/breakfast room.

The rear garden enjoys a westerly aspect and has been nicely designed with terraced wooden decking adjacent to the conservatory and steps descending to a well kept lawn with fencing to boundaries.
