Latcham Dowling are delighted to offer for sale this beautifully presented two double bed roomed cottage that is full of character.

You enter the property into the well proportioned lounge with its newly laid flooring in Herringbone style. There is an open fireplace to the chimney (currently not in use) and a cupboard to the side housing the electric meter and fuse box. You then head through to the 15' kitchen/dining room again with re-laid Herringbone flooring. Fitted oven and hob as well as space for a tall fridge/freezer and space for washing machine. The staircase to the first floor is in the corner of the room and there is good range of base and eye level units with contrasting worktops over. To the rear is the lobby giving direct access to the rear garden and also the shower room.

Upstairs, there are two great sized double bedrooms. In fact you could use either as your main bedroom without compromising on space.

Now a real BONUS of this property is the size of the beautifully maintained rear garden. It really is peaceful and a great place to unwind. Being WEST facing, it is also great for all those sun lovers.

Potton is a market town with many amenities. It has a school, pre-schools, a doctors' surgery, sports facilities, hardware store, various eateries, a newsagent, vets, butchers, bakers and so much more. In addition, Sandy and Biggleswade are within a 3 and 4 mile drive respectively, both offer mainline train stations to London St Pancras.

Now a real benefit is the proximity to the Town centre. As someone who lives close to the Town myself, it is great to use the local shops without the need for a car and just a 1/2 minute stroll and you are in the town.

This home offers plenty of charm and a viewing is highly recommended.
