Springfield Crescent, Bolsover Chesterfield

Guide Price - £95,000 - £105,000 A three-bedroom mid-terrace home with a bright full-length lounge and rear kitchen on the ground floor. Upstairs are a main bedroom, a flexible second room, a smaller third bedroom, and a central bathroom, all arranged for simple, everyday living.

Porch

This home begins with a cosy enclosed porch that creates a sheltered transition from outside to inside. It's the kind of space that naturally becomes home to coats, shoes, or a small bench.

Hall

Stepping through the porch brings you into the hall, a compact central point that leads directly to the lounge and kitchen, with the staircase rising to the first floor.

Lounge

The lounge stretches the full depth of the house, giving it a long, open feel. Its size makes it easy to divide into different zones, whether that's a cosy seating area, a dining space, or a mix of both. With double glazed windows at either end, it makes this a bright, welcoming room.

Kitchen

At the rear of the ground floor sits the kitchen, a well proportioned room with space for full cabinetry and appliances. Depending on the layout, it's position at the back gives it a quieter, more private feel, with a view of the garden.

Landing

Upstairs, the landing connects all three bedrooms and the bathroom. It's a simple, functional space that keeps the upper floor easy to navigate.

Bedroom 1

The main bedroom is a comfortable double room at the front of the house. Its proportions make it easy to furnish with wardrobes, drawers, and a full-sized bed without feeling cramped.

Bedroom 2

The second bedroom is longer and slightly narrower, giving it a versatile layout. It can work as a second double, a generous single, or even a room with a dedicated dressing or study area thanks to its length.

Bedroom 3

The third bedroom is smaller and best suited as a single room, nursery, or home office. Its size makes it practical for someone who doesn't need a large sleeping space.

Bathroom

The bathroom sits centrally at the top of the stairs and offers the standard family setup with a shower over bath, toilet, and sink. It's location makes it easily accessible from all bedrooms.

Front Garden

The front garden has generous lawn space, setting the house back from the road and giving it a sense of openness as you approach.

Rear Garden

The rear garden is even more impressive, offering a substantial stretch of outdoor space with both lawn and concrete features that are perfect for families or entertaining.
