THE PROPERTY

This impressive four-bedroom detached home is situated within the popular residential area of Hucclecote and offers spacious, beautifully presented accommodation ideal for modern family living.

The ground floor is centred around a fantastic open-plan kitchen and dining space, creating a superb social hub for the home. The contemporary kitchen features an extensive range of units, generous worktop space and a substantial central island providing additional preparation space and informal seating. There is ample room for a large dining table, while French doors provide direct access into the rear garden and allow plenty of natural light to flow through the room.

A separate living room provides a comfortable space to relax and benefits from an attractive bay window to the front. Completing the ground floor is a welcoming entrance hallway, useful storage and a particularly spacious downstairs WC.

Upstairs, the property offers four well-proportioned bedrooms, including three generous double rooms. The principal bedroom benefits from its own en-suite shower room, while the remaining bedrooms are served by a modern family bathroom.

Outside, the rear garden has been designed to offer a combination of patio seating and lawn, creating an excellent space for entertaining and family use while remaining relatively easy to maintain.

A particular highlight is the detached garage, which has been cleverly divided to retain useful storage space while also providing a separate home office – ideal for those working remotely or requiring a dedicated workspace away from the main house. A driveway provides off-road parking alongside the property.

Well presented throughout, with excellent living space, four bedrooms, a home office and no onward chain, this is a fantastic family home in a sought-after Hucclecote location.
