POSTCODE: WA15 8ED

DESCRIPTION

This attractive semi-detached house forms part of an attractive cul-de-sac of similarly substantial properties, situated approximately half a mile from the village of Hale with its range of individual shops, fashionable restaurants and train station and also lies within the catchment area of highly regarded primary and secondary schools. A little further is Altrincham town centre with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways.

Constructed during the 1920's to a traditional design, this family home is characterised by a full height gable with bay windows complemented by rendered elevations and retains many features of the period. Although obviously well cared for, the property has reached the stage where a degree of modernisation may be required and therefore presents an excellent opportunity to remodel to individual taste. There is also much further potential, subject to obtaining the relevant approval.

The landscaped grounds are an undoubted feature and great care has been taken to create a delightful mature setting. The rear gardens extend to around 90' in length and incorporate a paved rear terrace which is ideal for entertaining during the summer months alongside additional seating areas to take advantage of the sunshine throughout the day. An expanse of lawn is surrounded by well stocked borders and a variety of mature trees to provide privacy.

The interior is superbly proportioned and approached beyond an enclosed porch and wide entrance hall with access to each of the reception rooms. Positioned at the front there is a spacious dining room with a stone fireplace surround as its focal point, whilst toward the rear an elegant sitting room opens onto the paved rear terrace through French windows. The adjacent, naturally light morning room also opens onto the aforementioned terrace and an archway leads into the fitted kitchen. Completing the ground floor is a useful rear porch and cloakroom/WC.

At first floor level the primary bedroom benefits from a range of fitted wardrobes and two further double bedrooms overlook the landscaped rear gardens. There is also a generous single bedroom and bathroom/WC with white suite and chrome fittings.

Gas fired central heating has been installed together with PVCu double glazing.

Externally the driveway provides off road parking and gates lead to a substantial detached garage with light and power supplies.
