Description

Constructed in the 1990's, this freehold detached property has subsequently been extended to the rear to provide an additional reception room to the already spacious interior. The property enjoys a lovely outlook to the rear in the winter months, with far reaching views, through the tree belt, towards the village of Dore and the moors and countryside that sit above the city. The accommodation is laid out over two floors and there is potential, via the basement storage room, or the integrated garage to perhaps extend the accommodation further if the necessary consents were acquired. The versatile layout includes a breakfast kitchen, a large, open plan living room/dining room and an extended sitting room/garden room with a feature wood burning stove. On the spacious first floor landing there is access to four bedrooms (including three good doubles, one with its own ensuite dressing room) and two bathrooms (including an ensuite shower room). Externally there is a block paved driveway for at least one car and a low maintenance rear garden that has access to a basement garden storage room or steps that lead up to the balcony found outside the extension. A superb home that is located in a very desirable and affluent suburb, on the edge of The Peak Park, close to outstanding schooling for all age groups, numerous sports clubs, a local train station that provides an ease of commute and with no onward chain. This is a fabulous family home and one that will be sure to impress.
