# SELLER'S SECRET

After many years the time is right for us to sell. The house has suited us as a family extremely well with plenty of space for everyone plus the basement space. The area is second to none and has been ideal for the schooling of our children and for commuting to the city.

## Why we like it....

This is a property that must be viewed internally to appreciate its character and style. The garden for the location is superb also, so very large and beautifully secluded with brick walling all round it really is a key feature of this property. A must, must view!
