"The garden is a suntrap, we love nothing more than sitting on the decking after work, drinking a cocktail and watching the sun set. Page Park is where we spend most of our weekends, whether it's enjoying the Saturday market with stalls along the promenade or grabbing pizza on a Friday evening in May. The neighbours on either side are lovely, and the wider street has a real sense of community. We've truly enjoyed our time on Bath Street and will be sad to leave."
