

# Energy performance certificate (EPC)

|                                           |                                  |                                                     |
|-------------------------------------------|----------------------------------|-----------------------------------------------------|
| 378-380 Norton Road<br>NORTON<br>TS20 2QL | Energy<br>rating<br><br><b>D</b> | Valid until: <b>17 September 2036</b>               |
|                                           |                                  | Certificate number: <b>5736-9057-5335-2180-5730</b> |

|                  |                                            |
|------------------|--------------------------------------------|
| Property type    | Retail/Financial and Professional Services |
| Total floor area | 406 square metres                          |

## Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

You can read [guidance for landlords on the regulations and exemptions \(https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance\)](https://www.gov.uk/government/publications/non-domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

## Energy rating and score

This property’s energy rating is D.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property’s carbon emissions are likely to be.

# How this property compares to others

Properties similar to this one could have ratings:

|                                  |      |
|----------------------------------|------|
| If newly built                   | 6 A  |
| If typical of the existing stock | 22 A |

# Breakdown of this property’s energy performance

|                      |                                 |
|----------------------|---------------------------------|
| Main heating fuel    | Grid Supplied Electricity       |
| Building environment | Heating and Natural Ventilation |

|                                                                         |       |
|-------------------------------------------------------------------------|-------|
| <b>Assessment level</b>                                                 | 3     |
| <b>Building emission rate (kgCO<sub>2</sub>/m<sup>2</sup> per year)</b> | 19.45 |
| <b>Primary energy use (kWh/m<sup>2</sup> per year)</b>                  | 206   |

## Recommendation report

Guidance on improving the energy performance of this property can be found in the [recommendation report \(/energy-certificate/5060-4303-0687-8265-5983\)](/energy-certificate/5060-4303-0687-8265-5983).

## Who to contact about this certificate

### Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

|                        |                                                                  |
|------------------------|------------------------------------------------------------------|
| <b>Assessor's name</b> | John Ward                                                        |
| <b>Telephone</b>       | 07875263672                                                      |
| <b>Email</b>           | <a href="mailto:ward62@btinternet.com">ward62@btinternet.com</a> |

### Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

|                             |                                                                                    |
