Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

Energy rating and score

This property's current energy rating is E.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property's carbon emissions are likely to be.

How this property compares to others

Properties similar to this one could have ratings:

If newly built	27 B
If typical of the existing stock	78 D
